To All WMCI Families,

Student Council fees are being implemented yearly, again, in order to offset costs for student activities throughout the year. Some of these activities include, but are not limited to, gym blasts, dances, seasonal activities, special events, Morton Cup, Christmas dinner, Race Day, and philanthropic endeavors (community food cupboard, Christmas hampers, Movember, Terry Fox, etc.).

To maintain the fees at \$25/student, we will continue to do fundraisers throughout the year. We appreciate your understanding and submission of these fees as soon as possible. As a student council, we look forward to providing many more memorable occasions for our student body.

A great new option has come to WMCI! We now have e-transfer. If you would like to pay any of your child(ren)'s fees this way, please e-transfer the exact amount to: wmcistudentcouncil@pcsdonline.ca. Make sure that you indicate in the subject what the transfer is for (ie: student fee, sports fee, etc.) We also accept cash to the front office, and cheques can be made payable to WMCI Student Council.

Sincerely,

Student Council
